What existing resources do we have/know of that we can use to support this effort?	What do we need to begin, implement, and evaluate this effort (people, money, resources)?
- bike/walking trails - sharows - Bike Michiana coalition - bus transportation w/ inter-modal - sidewalks - improved lighting - ADA compliant sidewalks	- call boxes along trails - "fix your bike" event / co-op / place to donate your bike - sidewalk plowing - increase fines · avoid ppl walking in streets - planning bike routes on less trafficked / bike-friendly roads

Next Steps

List the 3 next steps or action items that the group will do and report on at the next GRC gathering:

1) continue recruiting more team members

2) Develop a Proposal to stiffen Penalties for unclear Sidewalks

3) Incorporate the Student body of our community (Surveys, meetings, etc.)
