#### **THINGS TO REMEMBER**

1. This schedule is established for loose leaf pick up only.
2. Please rake leaves to the curb line but avoid raking them into the street, as this will plug the street drains causing them to flood during rain.
3. Avoid parking on top or in front of leaf piles along curb lines, as this hampers crews from collecting the leaves.
4. Do not contaminate leaf piles by putting in sticks, trash, and other debris. We will not pick these piles up and it will be the property owner's responsibility to dispose of contaminated piles. (We will not come back to these piles.)
5. Avoid raking leaves to curb lines after crews have finished your street. We will not return until the next scheduled day in your area.
6. Burning of leaves is totally prohibited and in violation of City ordinance.
