# BEND

October- November 2013

Mayor Pete Buttigieg

Dear Neighbor,

First, I want to thank you for the support this community has shown me since I announced receiving orders to deploy to Afghanistan from March through September of 2014 in my capacity as a Navy Reserve officer. Our city owes a debt of gratitude to current City Controller Mark Neal, who has accepted the position of deputy mayor for the duration of my service-related absence.

Led by Mark and with the ongoing service of our leadership team, your City services will continue without skipping a beat. Throughout this process our goal is that residents will experience the same efficient service they have come to expect from the City, and our process of continuous improvement will not slow down.

Now that fall has arrived, the Street Department will start its annual leaf pick-up program. The fall ReLeaf program will start on Monday, October 28 and run until Monday, December 2. A schedule of areas served is included here and is also available online at [southbendin.gov/government/service/releaf-leaf-pickup](http://southbendin.gov/government/service/releaf-leaf-pickup).

Here are some helpful steps from the Street Department to streamline the pick-up process:

1. Please rake leaves to the curb line but do not rake leaves into the street, as this will plug the street drains, which could cause flooding during rain.
2. Avoid parking on top or in front of leaf piles along curb lines, as this hampers crews from collecting the leaves.
3. Do not contaminate leaf piles by putting in sticks, trash, and other debris. The City will not pick these piles up and it will be the property owner's responsibility to dispose of contaminated piles.
4. Burning of leaves is prohibited and in violation of City ordinance.

South Bend's Common Council is considering an ordinance to prohibit the use of plastic bags for yard waste. Plastic bags have resulted in the accumulation of massive amounts of non-biodegradable waste at the City's composting facility. For yard waste, residents are encouraged to use paper bags or reusable containers.

To enhance efficiency and cost-effectiveness, we are pleased also to announce that South Bend Water Works customers may now choose to receive their water bill online instead of by mail. To sign up for e-notification, visit [www.southbendin.gov/ebill](http://www.southbendin.gov/ebill) or call 235-5650.

I wish everyone a wonderful autumn in South Bend.

Sincerely,

Mayor Pete Buttigieg
