

SOUTH

BEND

August - September 2016

Dear Neighbor,

It will soon be time to put away the beach towels and prepare for going back to school. Classes in South Bend Community Schools begin August 17.

The South Bend Police Department would like to remind drivers and pedestrians to be cautious on the roads as the new school year starts, especially during the hours when children are walking to and from schools and bus stops. As autumn approaches, there will be less daylight and children will be out early in the morning. Here are a few tips:

- Be watchful around schools and bus stops for children running into the street.
- Watch for children entering the street from behind buses or running to catch the bus.
- When driving your children to school, don't leave until they are safely on school grounds.
- Drive slowly when approaching children riding bicycles and walking near the street.
- Watch your speed when entering school zones.

We thank all those throughout the community who help ensure the safety of our children, and look forward to a smooth transition back to school.

Back to school does not mean the end of summer fun. Mark your calendars for Art Beat 2016, on Saturday, August 20 from 11 am-7 pm. It's a showcase of over 200 visual, performing, and culinary artists from South Bend and the surrounding region. Residents are encouraged to stroll downtown streets during this free, family-friendly event.

And we're pleased to announce that the City's Smart Streets initiative is making great progress. We thank residents and businesses for their patience as Main and Michigan/St. Joseph streets were converted from one-way to two-way streets, and streetscape improvements were made from Chippewa Avenue to Bartlett Street. The result will be added vitality in the downtown area through safer and more accessible roads and increased economic activity that will enhance the quality of life in South Bend.

I hope everyone has had a wonderful summer and look forward to seeing you around the City in the weeks to come.

Sincerely,

Mayor Pete

From the Office of the City Clerk

Lawn Parking Newsletter
Hey Irish Fans! Football season is right around the corner, and with home games come many visitors to South Bend and questions about lawn parking. Be mindful that accommodations are made for Special Events and large gatherings (e.g. Notre Dame home games), but per Section 14-42 of the South Bend Municipal Code (SBMC), lawn parking is always unlawful (even during special events) throughout the City without a conditional Special Event Permit. If you are considering opening your lawn for game day parking, you can avoid costly lawn parking fines by obtaining a conditional permit from the City Clerk's Office on the 4th floor of the County-City Building.

In regard to parking violations, there are a few important distinctions to be made. Generally, all parking violations throughout the City are \$10.00 per violation. But, all lawn parking violations throughout the City are fined \$50.00 per violation (SBMC Section 14-58), unless, the lawn parking violation relates to Special Event restrictions (e.g. Notre Dame home games). In this case, all Special Events violations are \$100 per violation (SBMC Section 14-44). The permit must be visible on the day(s) it is being used, and lawn parking is only permitted for the specific days outlined in the permit. Feel free to contact 311 or the City Clerk's Office with any questions. Go Irish!

Kareemah Fowler, City Clerk
