

SOUTH

BEND

May - June 2016

Dear Neighbor,

I'm proud to report that the City of South Bend's Complete Streets plan was recently recognized as the third best in the nation by Smart Growth America. A Complete Streets approach creates a transportation system that supports safe travel for people of all ages and abilities, including pedestrians, cyclists, transit riders, and motorists.

As downtown construction continues this spring and summer on part of that Complete Streets plan, it's gratifying to receive recognition for the hard work of so many people who have been involved in the planning and implementation of this policy. The work you see around downtown now, like other Complete Streets projects before it on East Jefferson Boulevard and Lincolnway West, will create a more welcoming environment for all residents, support a better quality of life, and promote economic development.

Access to businesses and residences within the project area will be maintained throughout the construction process, and the City has set up a special website—southbendin.gov/smartstreets—to keep residents and business owners up-to-date on progress and changes to traffic patterns.

With summer drawing near, there are more reasons to celebrate, including many outdoor activities offered by the City. Kennedy Water Playground and Potawatomi Pool will soon be open daily. The East Race Waterway opens June 11 for rafting and kayaking on weekends, and also offers a climbing wall.

The city is also pleased to partner with the St. Joseph County 4-H Fair to host the second annual Fourth of July parade. Entries continue to be accepted until June 2 at 574-273-0401. The parade will begin at 9:30 am on Saturday, July 2, starting and ending at Four Winds Field, making its way north along Lafayette Street, west along Colfax Avenue, and south along William Street. The parade will coincide with the annual St. Joseph County 4-H Fair to be held July 1-9 at the fairgrounds at 5117 Ironwood Road on the south side of South Bend.

With great anticipation for a safe and exciting spring and summer, and enthusiasm for the promise of the ongoing Complete Streets work, I look forward to seeing you around the Bend.

Sincerely,

A handwritten signature in black ink, appearing to read "Pete".

Mayor Pete

From the Office of the City Clerk

With Smart Streets construction underway downtown, we want to be candid about the inconvenience. Commutes may be affected, especially during the summer months, and we're asking for residents to plan around active construction sites. Information on road closures and detours may be found at southbendin.gov/smartstreets.

South Bend Water Works night deposit box and drive-thru window will also take more time to access during the summer months due to construction activity. Customers needing to access South Bend Water Works are encouraged to park in the public garage at the corner of Main Street and Colfax Avenue where parking will be free of charge for the first two hours.

As a reminder, utility bills require payment by 5 pm on the due date listed. Payment due dates are based on the billing cycle of the service address. Bills may be paid online at <https://govnow.southbendin.gov/wps/portal> using a Visa, MasterCard or Discover credit or debit card, or by calling the City's resident service line 311, open Monday-Friday from 7:30 am to 5:30 pm.
