

SOUTH

BEND

November - December 2015

Dear Neighbor,

Lincolnway West recently reopened with improvement work now complete. The project added new curbs and sidewalks in key areas, and trees throughout the stretch from South Bend International Airport to downtown. Lincolnway West also now offers three lanes—two travel lanes and a center turn lane. On-street parking has also been added in addition to dedicated bike lanes in some areas.

Smart Streets is an effort to improve how South Bend's streets contribute to safe, efficient transportation and the overall quality of life. Smart Streets projects utilize the complete streets philosophy, providing equal access to pedestrians, bicyclists, motorists, and transit riders.

As part of the Smart Streets initiative, the City will be converting Main and St. Joseph Streets into two-way streets in 2016. Two-way streets downtown create a more coherent, navigable downtown, easier for residents to access businesses and safer for people walking and cycling. These improvements are part of creating an environment more conducive to economic development and improving the quality of life in South Bend.

I also want to remind residents that the City's ReLeaf leaf collection program continues until Monday, November 30. A map and a schedule of when and where collection will take place throughout the city may be found at southbendin.gov/government/service/releaf-leaf-pickup.

To streamline the pick-up process, the Street Department asks that residents please rake leaves to the curb line but do not rake leaves into the street, as this will plug the street drains, which could cause flooding during rain.

November is a time to give thanks and we have much to be thankful for in our community. I would like to express thanks on behalf of all South Bend residents to our police officers and firefighters, who deserve our gratitude year-round for the risks they take to keep us safe.

It has been a year of growth and progress in South Bend. Thank you to everyone who has contributed—from City employees to local workers to residents who have volunteered their time and resources to strengthen our community.

I wish everyone a wonderful Thanksgiving.

Sincerely,

A handwritten signature in black ink, appearing to read "Pete".
